Subject-III. Sericultural Co-operation.

Mr. K.H. Ramayya explained that seven Sericultural societies had so far been financed to the extent of Rs 2,800/- at the rate of Rs 400/- per society as per Government Order and that there were 10 more societies requiring similar help and as such, he wanted some more funds from Government for financing them.

2 Mr. N.Rama Rao said that Rs 400 was very inadequate for each society and that larger loans should be

4 The Continuance of a Senior Sericulture Inspector for Sericulture Co-operation work has been sanctioned till the end of October 1930 and no arrear to enable him to place the Sericulture Co-operation work on a firm basis, it is perhaps necessary to afford adequate financial aid for the starting of more Societies and the Registrar wants Rs. 3000/- for the purpose during this year. It is for consideration whether the alternative proposed by the Registrar — by meeting the amount out of the allotment for Loans to Co-operative Societies, may not be adopted. This is for orders.

5 During the course of discussion of this subject at the Development Board it was observed by the Dev. Secy. that a sum of Rs. 400/- for each society was very inadequate and that larger sum should be given to them. The question of giving larger grants was urged at the 2nd Sericultural Conference at Chamarajanagar also and the Dept. Officer was asked to submit necessary proposal in the matter. Detailed proposals may perhaps be awaited

7 Additional funds are necessary to finance Sericl. Coop Societies during the current year. It is not necessary to sanction any additional grant for the purpose. Permission may be given to utilise the amount required, not exceeding Rs 3000/- from the general provision of Rs 1250 as suggested by the Registrar of Co. Societies

8 The limit of Rs 400/- for each society may perhaps be raised to Rs 500/-

Sir,

With reference to Government Order No.2770-2/Seri.12-26-4 dated 20th October 1926 sanctioning Rs.2,000/- for granting loans to Co-operative Societies, I have the honour to state that the amount was fully utilized for granting loans to 5 Sericultural Societies during 1926-27. There are now 17 Sericultural Societies of which only 7 have been financed to the extent of Rs.2,800 from Government funds and the rest can show some work only if some financial help is given to them. The question of financing Sericultural Societies was discussed at the meeting of the Development Board held on 14th December 1927 and it was resolved that the Registrar may apply to Government for the necessary funds. Government have not earmarked any funds this year for granting subventions to Sericultural Co-operative Societies as during previous years and Rs.1,25,000 provided in the Budget seems to be intended for the House Building Societies at Nanjangud and Yedatore to which they have sanctioned Rs.50,000 each and also for the work of the Depressed Class Societies including special House Building Societies for them I request the Government to kindly sanction at least Rs.3,000/- for enabling me to grant loans to Sericultural Societies during the official year, at 6 per cent interest and for periods of 3 years as fixed in the Government Order under reference and thus develop their work. If extra funds cannot be provided now, I may be authorised to utilise this amount out of the general provision of Rs.1,25,000 as the House Building Societies are not likely to draw

draw the full amount during the year.

I have the honour to be,
Sir,
Your most obedient servant,

H H Ramaya
Registrar.
